June 1, 2021

Dear CIF Family,

It is with great joy we can return to in-person worship services at church!
Because safety is our primary concern and a provincial mandate, we will continue to follow COVID protocols as we did before. These include:

- Registering with the CIF office that you will be attending by Noon Friday
- All people enter through the south, wheelchair access door (by City Hall)
- Masks must be worn on entry and for the duration of the service
- Hand-sanitize on entry
- Each person will be asked questions about COVID symptoms when they arrive
- An usher will seat you in the Sanctuary in designated spaces marked with tape
- Only the pianist will be able to sing (you can hum along with your mask on)
- Responsive readings will only be done by the worship leaders
- Ushers will guide people out of the Sanctuary at the end of the service
- There can be no gathering within or outside the church after the service
- Coffee hour will resume after guidance by the Pacific Regional Council

Our first in-person service will be:

Sunday, June 6, at 10 AM

You **MUST** register each week with the CIF office **250-368-3225**
that you will be attending (seating capacity is limited)

If you are ill, please do not attend in person.

The service will be live, and we will also endeavor to record the
service and make it available on our CIF website.

We look forward to seeing you again!

On Behalf of the CIF Emergency Committee:

Hail Potter

Chairperson of CIF:

E Marie Skinner

To nurture and empower spiritual growth and outreach in our communities.
